

VILLA YELDA

IBIZA

VILLA YELDA

Luxury villa with fantastic frontal sea views. It is located in the exclusive gated community of Vista Alegre, less than 5 minutes drive from Es Cubells and the charming village of San José, and less than 20 minutes from Ibiza Town.

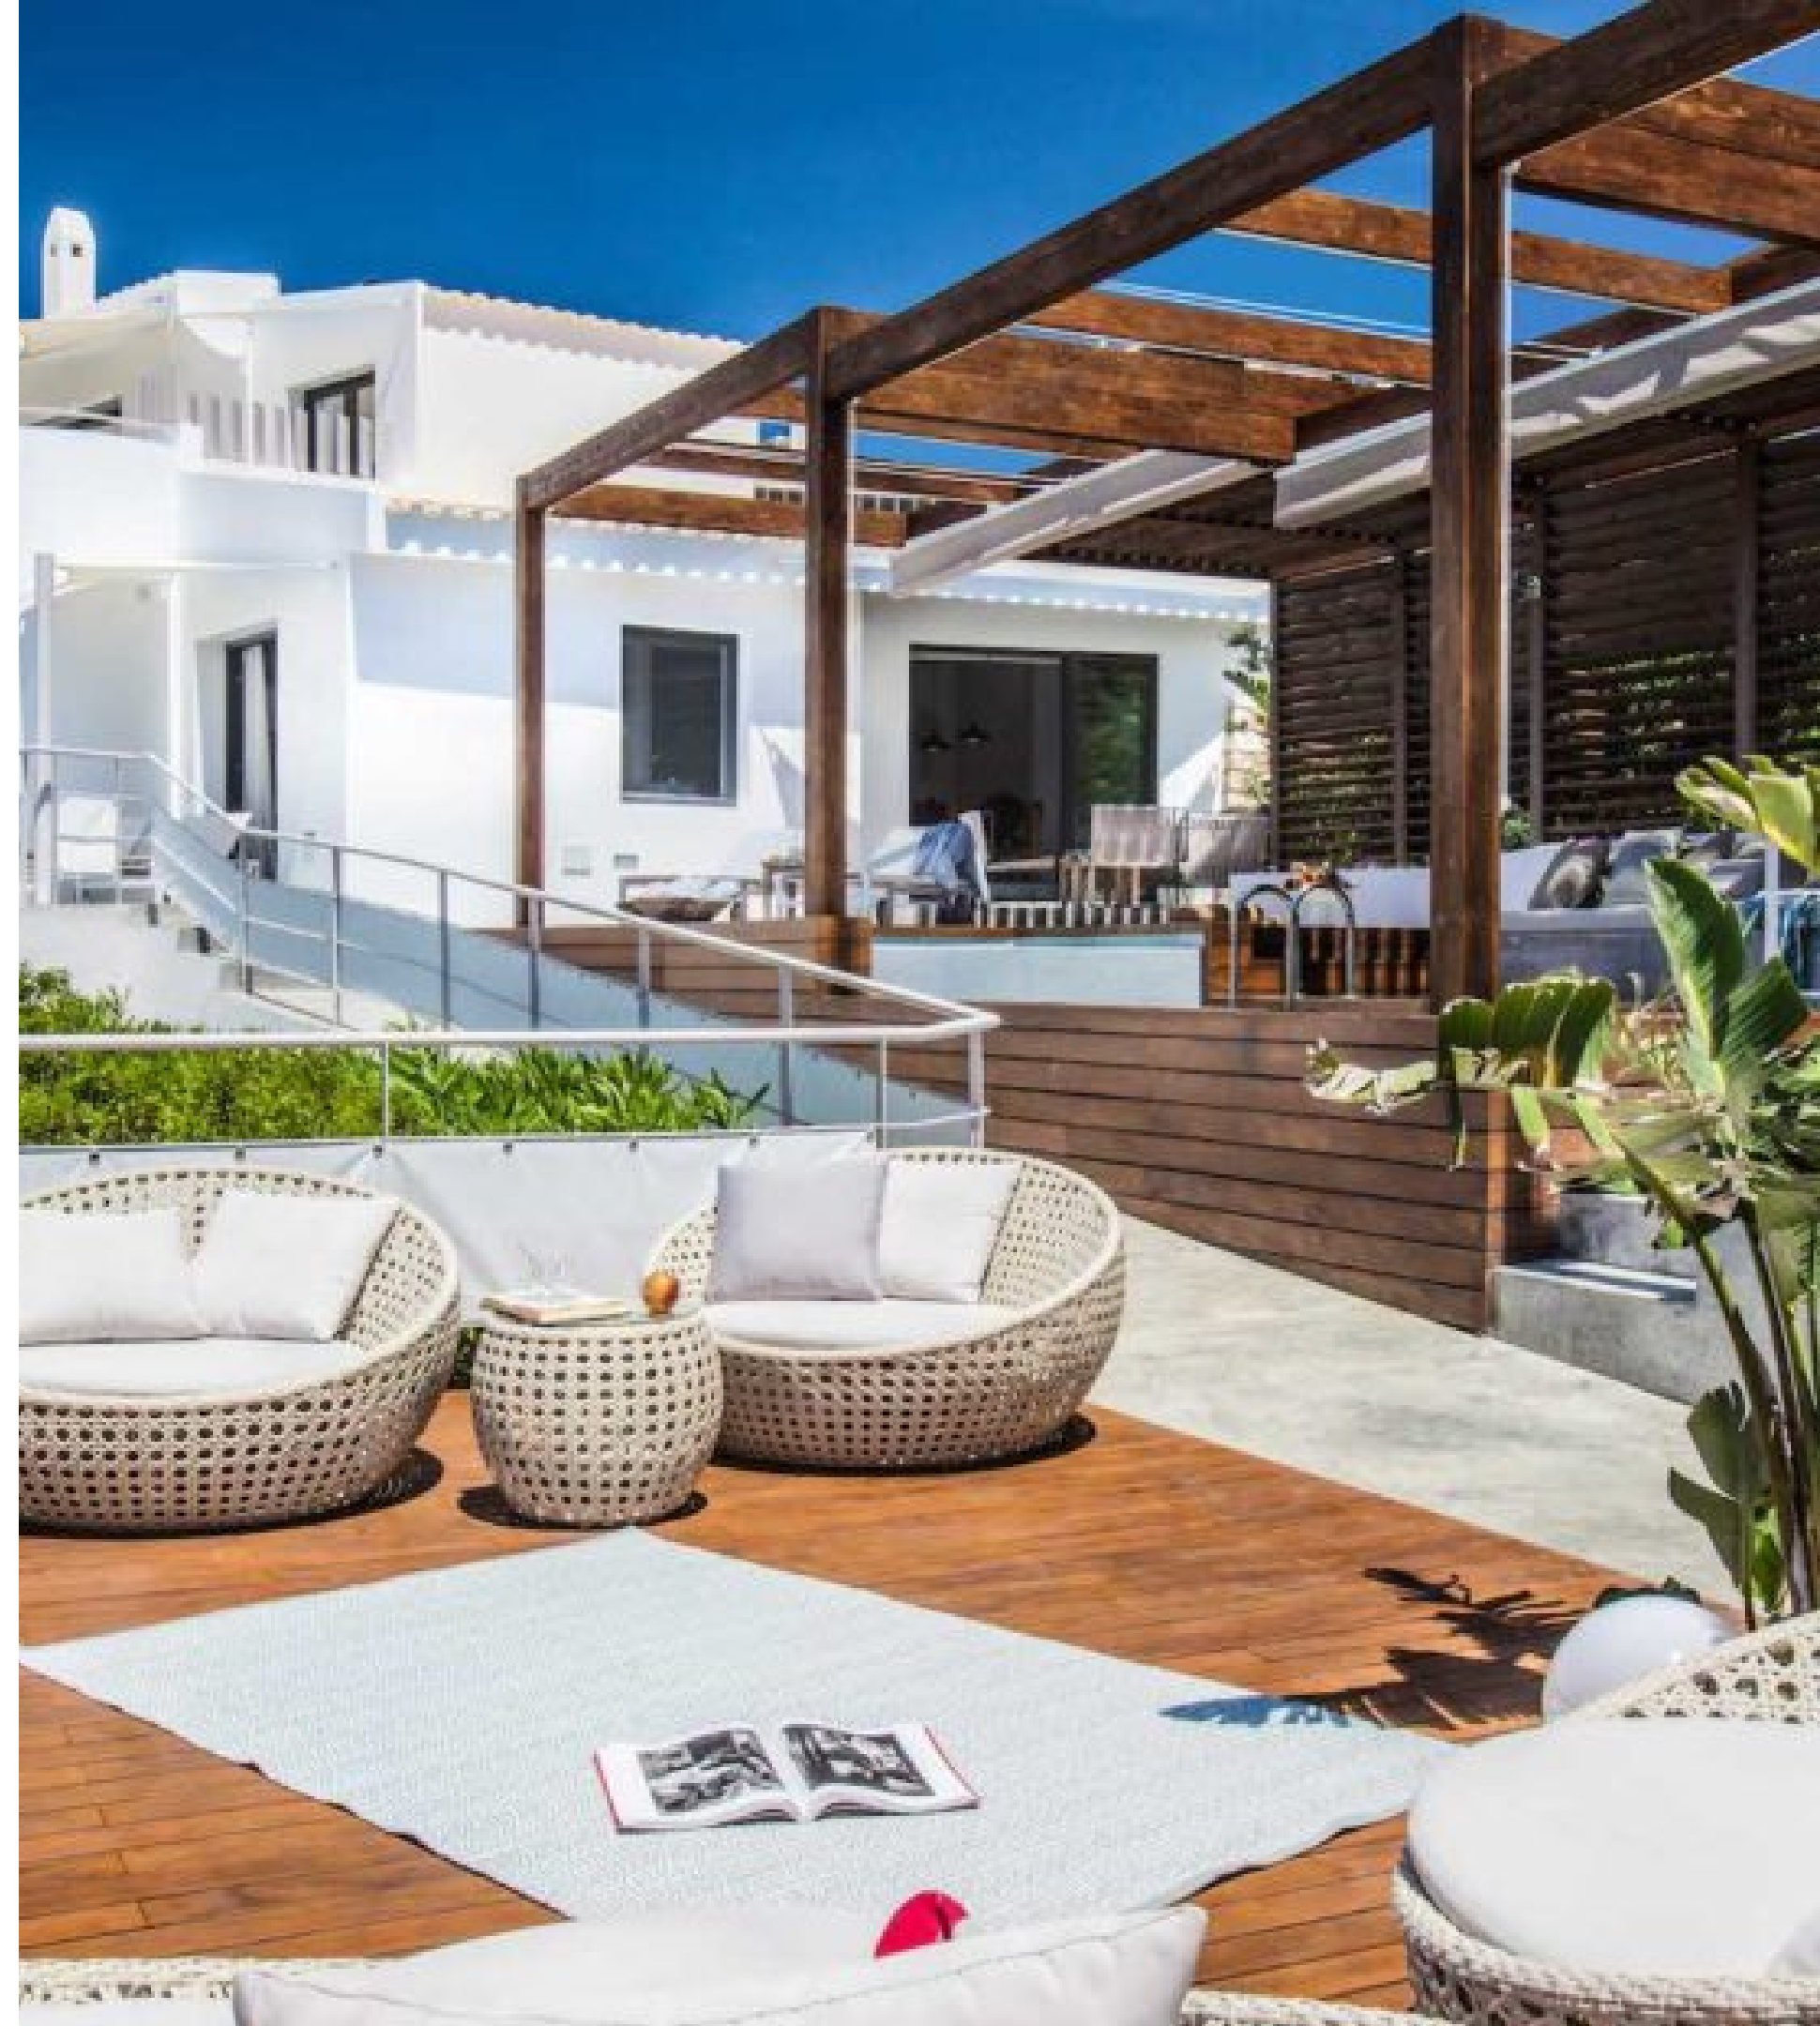

It is distributed over two levels, and all the rooms have their own access to a well-equipped outdoor terrace with plenty of sun loungers for relaxing and contemplating the Mediterranean in all its splendour.

The style is modern, with comfortable designer furniture, both indoors and outdoors, combined with the grey of the polished concrete floor and the white that is so characteristic of Ibiza, also known as the white island. Each of the five bedrooms has its own private bathroom.
